## DISCUSSION QUESTIONS

---

1. Read PROVERBS 6:32.

In what ways do you think sexual immorality destroys one's life?

2. In what way does the principle of the *honoring marriage* (HEBREWS 13:4) go beyond sex?

3. Bible Teacher Daniel Seagren wrote,  
“*Anything that contributes directly or indirectly to the breakdown of marriage must be examined carefully.*”

- What are some things today that contribute to the breakdown of marriage?

- What can be done about these things?

---

## PERSONAL APPLICATION

---

- Read PROVERBS 4:23. How do you *keep your heart with all vigilance* in order to guard against all forms of sexual immorality?

If you have never been *born again*, contact Pastor Keith or a trusted Christian friend this week to find out how.

## STUDY QUESTIONS

---

1. A strict definition of *adultery* seems only to include a married person having sexual intercourse with someone other than the spouse. Look up the following verses and explain how they relate to the principle of the honoring marriage in HEBREWS 13:4.

• EXODUS 22:19

• ROMANS 1:24-28

• JUDE 1:7

• MATTHEW 5:27-30

2. A common reason given for “living together”  
is to see if a marriage might work.

Suggest a Biblical response to this argument.

3. Our society is more and more receptive to the belief  
that marriage is a man-made institution and  
can be redefined to fit the culture.

What Biblical answer could you offer to such a statement?
