
DISCUSSION QUESTIONS

1. Why do “older” folks like the “older” hymns, and should they also try to like *new songs*? Explain your answer.

2. How can Bible passages about *music* and *singing* be applied to people who may have no natural musical abilities? Defend your answer.

3. Do you believe instrumental music (no vocals or lyrics) can glorify the Lord? Explain your answer.

4. Why might PSALM 98 (that is about singing a new song) end on the concept of God as the *Judge*?

If you have never been *born again*, contact Pastor Keith or a trusted Christian friend this week to find out how.
