We first learned about Village Missions in 1985, when our home church in Montville, Connecticut, struggled to afford a full-time pastor. Village Missions sent Pastor Jim Cook and his family. Their ministry blessed us greatly, and Jim officiated our wedding.

A few years later, our friends Steve and Darleen Fournier completed a Ministry Training program through Village Missions and were sent to Milford Center, NY. About 10 years later, we followed in their footsteps through the same training and to another VM field in Pendleton, New York.

**WE
FOLLOWED
IN THEIR
FOOTSTEPS**

The town of Pendleton straddles the Erie Canal, between Niagara Falls and Buffalo. As I think back upon our time here, I am reminded of Psalm 16:5-6: *"The Lord is my chosen portion and my cup; you hold my lot. The lines have fallen for me in pleasant places; indeed, I have a beautiful inheritance."* I know I won't inherit this land where I now live, but it is a beautiful area, and our family has been blessed here.

One of our elders likened our church to a MASH unit¹. People come seeking spiritual truth or are young in the faith, and we help them grow in Christ for a season, until the Lord moves them elsewhere. We have discipled and trained some young men into leadership roles in the church, but we've also seen

others move away. Through it all, the Lord has taught us to keep our eyes on Him and his will for our church. While humans tend to focus on numbers, God celebrates each life touched for eternity. Remembering this helps our church family press on in ministry.

Our church allows some community groups to use our facilities. One is an organization that assists adults with developmental disabilities by teaching them life skills and organizing volunteer opportunities. They have been using our building on weekdays for nearly 20 years. The church has been like a "second home" for some of these individuals, and we've built precious relationships with them. We had the joy of seeing the program manager put his trust in Christ. He has been an active part of our church family ever since.

*WE'VE BUILT
RELATIONSHIPS
WITH THEM*

A few years ago, the local food pantry was looking for a new space and approached us. Helen and another lady from church help with their weekly food distribution. This opportunity has helped build close relationships, and some people have started attending our church as a result.

We also let local kids use our indoor and outdoor basketball hoops. Recently, one young man won the regional round of a dunking contest and will compete in the finals of the international slam dunk contest in Atlanta, Georgia. If he wins, we can say, "He dunked on our hoops first!"

Eric Roselund has been ministering at Christian Faith Chapel in Pendleton, NY, since March 2002. He and his wife, Helen, have been married for 36 years. They have five children and five grandchildren.
